1.0 Purpose

This schedule identifies the relationship between the Australian Standard Classification of Education (ASCED) Field of Education Codes and Academic Subject Areas.

2.0 Scope

This Schedule applies to all courses configured in the University's curriculum management systems.

3.0 Schedule

4.0 Definitions

Field of Education (FOE) refers to the classification system used to describe higher education programs, academic plans and courses to ensure those with the same or similar vocational emphasis are reliably and consistently classified across the sector. The FOE determines the Student Contribution Band for courses.
